

Exercise 7: Flair plots

FLUKA Beginner's Course

Exercise 7: Flair plots

Aim of the exercise:

1- Plot energy deposition

2- Plot fluence

3- Plot activation

Exercise 7: Flair plots

- ❑ Create the **ex7** directory
- ❑ Download **ex7.flair** and **ex7.inp** from the web
- ❑ Run the simulation using Flair
- ❑ Process the scoring files
- ❑ Plot the merged files

(Try to use also the geometry editor for USBIN plot)
